

Congrats! Grads

The academic year of 1971-72 will conclude with 187 graduates. The three largest groups represented are Elementary Teacher Education, Economics and Business Administration, and Sociology. Among this group are twelve honor graduates.

The following are candidates, pending satisfactory completion of requirements

during the second semester of the 1971-72 year, for degrees to be awarded on May 15, 1972; those candidates who completed their requirements in December and who will be awarded their degrees on May 15, 1972; and those candidates who, pending on satisfactory completion of requirements in the summer, will be awarded their degrees on August 31, 1972.

Graduates—May, 1972
